Directions for Completion of an Incident Report

7/11/11

1. Person or client facility voices / documents an incident.
2. Independent Health Care Staffing (IHS) Representative sends copy of incident report to person making the call.
3. IHS Representative reviews incident and, if clinical, forwards to IHS's Director of Nursing (DON), and either IHS Representative or IHS DON contacts other parties involved.
4. IHS Representative or IHS DON sends copy of incident report to traveler and client parties involved.
5. IHS Representative or IHS DON receives all incident reports back and reviews all documentation.
6. IHS Representative or IHS DON reviews all information and conducts research for any unanswered questions.
7. IHS management or IHS DON formulates a resolution.
8. IHS management shares resolution with traveler and client. Gets input on resolution.
9. IHS management institutes resolution in fairness to all involved. Treats injury immediately and reports to workers compensation company. Creates documentation for all parties to sign.
10. IHS management documents in database file and adds to paper file for future use, if necessary.
